

Dear Friend

I am so glad that you are interested in attending World Harvest Bible College, the 'School of the Spirit.' This is a place unlike any other in the world; this is where the Word gets real. Before you review the information on the requirements for International Applicants let me give you a little background information about the school.

World Harvest Bible College began with a vision birthed in Pastor Rod Parsley's spirit in 1990. "God spoke specifically to my heart about reaching lost and dying humanity with the Gospel of Jesus Christ," Pastor Parsley recalls. "As I stood in the middle of what is now Dominion Hall, God said to me, 'From this spot you will touch the world.' We have attempted to create an environment to do just that." Since then World Harvest Bible College has sent multitudes of trained, fire-baptized men and women throughout the face of all the earth to reap the end time harvest and carry the revival that will culminate with the appearing of our Lord Jesus Christ!

The enclosed information is to help you understand all the necessary steps you need to take in order for you to make your presence on this campus a reality. Do not hesitate to call the Admissions office at 614-837-4088 and ask for International Admissions if you have any additional questions.

Come and be a part of what God is doing in and through us here at World Harvest Bible College!
